

# Through the Ages

Phoenix Class Autumn Terms 1 and 2 2022

In the Through the Ages project, we will learn about three different periods of British prehistory: the Stone Age, Bronze Age and Iron Age.

We will look at terminology relating to time and sequence dates to make a timeline; explore the changes to people, homes and lifestyle throughout the different periods and investigate examples of prehistoric settlements, monuments, burials and artefacts in detail.

We will also study how technology improved over time, including how the discovery of different metals changed the way that people lived. Details of some of the things we will learn about are in the table below.

<b>Project focus: History</b>	
History	Prehistory; Stone Age; Bronze Age; Iron Age; Chronology and timelines; Everyday life; Tools and weapons; Settlements; Stonework and metalwork; Religion and beliefs; Wealth and power; Invention and ingenuity; Evidence and enquiry
English	Narratives; Instructions; Cinquains; Chronological reports
Geography	Human features; Stone Age monuments
Science	Animal nutrition and the skeletal system
Art and Design	Prehistoric pots
