

Poisonous potions, aromatic brews, vapour or a sticky goo... Welcome to the amazing world of potions!

By reading an extract from *Alice's Adventures in Wonderland*, we'll learn all about mysterious potions. We'll sort everyday items into solids, liquids and gases. Using our investigation skills, we'll explore capacity and the properties of liquids. We'll also design fabulous bottles for magical potions. Becoming super scientists, we'll investigate chemical reactions and states of matter. We'll research the use of anaesthetic and learn what life was like without it! We'll also use our imaginations to write spells with magical and strange effects.

Main focus: Science	
English	Labels and instructions; Poetry; Non-chronological reports
Science	States of matter and scientific investigations
Art & Design	Design; Crayon art
Computing	Presenting information
DoxT	Developing products
History	Historic use of potions
