

# Gallery Rebels

Pegasus Class Summer Term 1 2021

Pack up your pencils, pick up your paintbrushes and prepare to be amazed by the wonderful work of 19th and 20th century artists!

During this half term, we'll research important artwork of the 19th and 20th centuries online, choosing a favourite piece of art to describe in more detail. We'll talk about features of the artwork and sketch our favourite pieces. Using maps, we'll locate art galleries around the world and calculate how much it would cost to get there. When we've gathered a range of materials, we'll use them to collect ideas and inspiration. We'll create pieces of art inspired by well-known artists and use search engines to source images of modern art to put into a digital portfolio. We'll express ourselves through stories, music and painting. Art can affect our feelings and emotions, and we'll investigate whether everyone responds in the same way. We'll also use found objects to create a surreal sculpture.

Imaginative Learning Project focus: Art and Design	
Memorable Experience	Visit a gallery
Innovate Challenge	Create gallery exhibits
English	Research; Short narratives; Expressionist poetry; Surrealist narratives; Explanations
Art & Design	Great artists of the 19th and 20th centuries
Computing	Collecting, evaluating and presenting data
D&T	Tools and materials
Geography	Locational knowledge
Music	Listening, improvising and composing
PSHE	Emotions
PE	Dance
Science	Light
Science Investigations	Is green really green?

## Help your child prepare for their project

There are many different styles of artwork, and inspiration can be found all around us. Why not go into the garden together and sketch various objects or plants? You could also reimagine these same objects in an impressionist or surrealist style. Alternatively, work together to collect natural objects and make a colourful collage.
