

November 2022

Well done to the St Peter's U11 Football Teams!

Well done to the St Peter's U11 football teams who played admirably, winning a game and drawing four games against some very competitive opposition.

Harriet and Rhys both scored goals with great cheers by their teammates.

Players were selected so that everyone played 3 or 4 games and took turns to play in different positions.

The children were so excited to be part of the tournament and played fairly, remembering to thank the referee and shake hands with the opposition at the end of their games.

We were all very proud of their great team spirit.

Don't forget to bring your shoebox to school on Thursday 10th November
Thank you

Poppies are available from school each day and children will be selling them on the playground at the end of the school day all next week.

Christmas Bazaar!

Year 6 Sports Leaders

Many thanks to Sue Cork and Rachel Mills (West Oxfordshire School Games Organiser) who spent a day with our Year 6 children teaching them the skills to become Sports Leaders at St Peter's.

First we had to line up and imagine we were on a tightrope; without 'falling' we had to get in order of our birthdays and door numbers. This was a great team building exercise. The second game was rats and rabbits. The idea of the game was that Mrs Cork or Mrs Mills—our instructors—would tell us to get into partners. They told us to get into two opposing lines next to our partners then they told us if we were rats or rabbits. They then explained that one of them would call out either rats or rabbits; if rats were called they would have to run away from their partner into the safe zone (behind the red cones).

Next they showed us simple tricks to group up children into two groups, eg Get into partners, number yourself one and two, ones in a group and twos in another. Then how not to, eg pick 2 people and then get them to pick people one at a time.

The next activity was making up our own warm ups (Simon says, bean game, stuck in the mud, etc). We had to show the other children our warm ups with confidence, smiles and happiness. Finally we had to create our own games: obstacle course, beanbag game, ball figure of eight and clap and catch ball game. Other people tried our games and gave their honest review.

We all thought that this experience was very useful and enjoyable. We also all agree that this will help us a lot during future playleading sessions. We now all know how to be responsible playleaders and will lead safely.

A Visit from the Police

As part of their topic, 'Me and My Community', Cygnus children were treated to a visit from the local police.

They had a great time and were even able to get behind the wheel to sound off the siren and toot the horn!

SCHOOL PHOTOGRAPHS

Class-Photos will be in the School hall on the morning of Wednesday 16th November to take both individual and sibling group photographs.

If you wish your child to have additional photographs with their brother(s)/sister(s), please look out for a ParentMail Form for you to complete.

Birthday Celebrations

Thank you

to the Greening, family for Austin's Birthday Book!

Thank you also to Harry and Evie Gamage's Grandad for the huge pile of books donated.
