

From Stone to Iron

Phoenix Class Autumn Term 1 2026

In the 'From Stone to Iron' project, we will learn about three different periods of British prehistory: the Stone Age, Bronze Age and Iron Age.

We will look at terminology relating to time and sequence dates to make a timeline; explore the changes to people, homes and lifestyle throughout the different periods and investigate examples of prehistoric settlements.

We will also study how technology improved over time, including how the discovery of different metals changed the way that people lived. Details of some of the things we will learn about are in the table below.

Project focus: History	
History	From Stone to Iron
English	Diary writing and setting descriptions <u>Reading</u> : The Nothing to See Here Hotel
Science	Sunlight and shadows
Art and Design	Colour theory
RE	What kind of world did Jesus want?
PSHCE	Being in my world
French	Getting to know you
PE	Rugby and hockey
