

Starry Night

Term 3

In the Starry Night project, your child will explore the differences between the world at night time compared with daytime, through a range of exciting and creative activities. They will find out about nocturnal animals and how they find food when it is dark. They will find out about people who work at night and the different jobs that people do when we are asleep. They will discuss bedtime routines and the importance of a good night's sleep. They will explore the night sky and find out about the Moon, planets and stars.

Memorable experience(s)	Pyjama party Class Assembly Trip to story museum
