

In the Animal Safari project, your child will learn about incredible animals that live worldwide. They will explore various animal habitats and compare the animals that live there with animals in their locality. They will learn how to care for pets and what all animals need to grow, survive and stay happy and healthy. They will explore animal features and find out how they survive in the wild. They will compare the ways that animals are similar and different.

Areas of learning: Understanding the World	
Memorable experience	Trip to the Cotswold Wildlife Park to meet the animals
Innovate challenge	Greedy zebra
Communication and language	Listening, attention and understanding; Speaking
Physical development	Gross motor skills; Fine motor skills

Literacy	Comprehension; Word reading; Writing; Phonics (Bug Club)
Mathematics	Number; Numerical patterns
World	Past and present; People and communities; The natural world
Expressive arts and design	Creating with materials; Being imaginative and expressive

Supporting your child at home

Look at animals from around the world, discuss your favourite animals and find out some fantastic facts. What pets do you have? How do you look after them and what do they eat?
