6-7pm Parent Meeting re Leadership

Thu 11th Y6 Leavers service
Oxford
WASP Junior First Aid Club

Fri 12th Y5 Enrichment Day at Burford
U11's Dynamos Cricket @ Wychwood Cricket Club

Dear Families, what **glorious weather** we enjoyed over half term – we hope you were all able to make the most of it! Our **Health and Safety reps** shared some top tips about staying safe in the sun this week as part of **Child Safety week**. Please see the following pages with some important information on water safety as well. Next week is our **fitness athlete event**-you can sponsor us here <https://sportal.greatathletes.org/events/landing> - thank you!

Term 6 is now well underway, and we've had a busy and positive first week back. Our theme across school and Collective Worship this term is '**Changing Me**'. We focus on changes in our bodies, hearts and minds and help everybody to prepare for transition. One event we run for our Y6 is the **Futures meeting** where we have **visitors** come and talk to them about their careers. If you (or someone you know) have a **job** you would be happy to talk and answer questions about, and are available on the 29th June, please do get in touch with the school office ASAP.

Pupils had a fantastic time on Tuesday taking part in **inflatable football** taster sessions with Footy Kids. The children **thoroughly enjoyed** trying out the inflatable pitch and getting involved in the fun activities. Please see attached **flyer to book!**

Well done to our Y3 and 4 who had a fabulous time on their **two day residential** trip to Adventure Plus in Clanfield. They have been **canoeing, fencing, biking and more!** The centre were full of **praise** for their **behaviour, attitude and manners**. More photos on the website soon. **Thank you** to Mr Wise, Ms Lawton and Mrs Coughlan for supporting them so well.

A big **thank you** to FOSPS for generously providing the Year 6 **leavers' hoodies** – they are very much appreciated and are being worn with **pride**. More FOSPS events news on following pages.

Alvescot Dog Show is a fantastic community event and urgently need commitments of help in two key areas to plan the event properly.

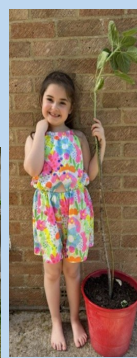

Moving/setting up/taking down equipment –
Friday 2nd October, 2-3 hours late afternoon –
moving equipment;
Saturday 3rd October, 2-3 hours in the morning –
setting up the field;
Sunday 4th October, 3-4 hours late afternoon/
early evening taking down the equipment and
returning to the Village Hall/lock up

BBQ Volunteers – we also need 2-3 volunteers to manage and run the BBQ on the day, serving up to c300 hot dogs.

Please contact anncadogan@icloud.com if you can help. Proceeds raised support the village including the school.

Esmée Rose, Georgia and Nick are beaming with pride over their **sunflowers** – just look at how tall they've grown!

Football Achievements

Well done to **Jenson and Kit** (CFC Rangers U6) for their season awards, and to **Wilf** (CFC U5) for winning the **"Biggest Influence"** award.

Well done **Maisie** On completing a marathon 26.2 miles challenge raising over £800 in aid of SSNAP
What an achievement!

Have a restful weekend,

Diana

WHAT HAS MY CHILD BEEN LEARNING? THIS WEEK?

Cygnus Cygnus have been writing postcards, exploring a variety of sea creatures and helped to make pretend ice-cream from two ingredients to use in their play.

Tucana Tucana have been learning about past and to times in Maths and also labelling features of different animals in Science.

Phoenix Developing our resilience, perseverance and teamwork and having lots of fun (and little sleep!) on residential.

Pegasus We have been improving our writing, planning science investigations and learning more about circles.

Water safety advice.

Spending time near water can be fun, especially in warm weather, but open water can be dangerous even if you are a strong swimmer. Rivers, lakes, canals, quarries and reservoirs can be much colder than they look, with hidden hazards and strong currents.

- Do not jump, dive or swim in open water unless it is a supervised, designated place.
- Never go near water alone - stay with friends and make sure someone knows where you are.
- Be aware that cold water shock can affect anyone, even strong swimmers, and can make it hard to breathe or move.
- Rivers, canals and lakes may have hidden dangers under the surface such as rocks, rubbish, weeds, fishing line or sudden drops.
- Do not take risks to impress others, including dares, bridge jumps or entering the water for social media content.
- If you fall in, try to stay calm, float on your back, keep your airway clear and control your breathing.
- If you see someone in trouble, call 999 or 112, shout for help, and throw something that floats. Do not go in after them.
- If possible, choose supervised swimming venues or pools instead of unsupervised open water.

Remember: Enjoy the good weather, look out for your mates, and stay safe around water.
